1949 PALLADIUM DEDICATED TO

The American School Teacher

The American School Teacher, upon whom rests the great responsibility, and to whom is given the great privilege of educating our American youth, was chosen for the dedication of the 1949 Palladium, because Troy State Teachers College is engaged in producing American School Teachers and they, next to the children of the world, are the greatest interest of this college.

Chosen to represent the American School Teacher for the Palladium, was Miss Loraine Hamil, who retired last year from the Troy State Laboratory School Staff when she had taught for 50 years, 43 of them at Troy. With Miss Hamil here are Mrs. Jean Moore Lang, who is now a school teacher herself, and two of the young Americans whom they have helped to live and learn according to our American ideals.

PRESIDENT TERMS 1948-1949 BANNER YEAR

Any time we desire to study our progress it is interesting to look back, around and ahead. It is interesting to do that now at Troy State Teachers College.

A fair appraisal, I think, would conclude that the years since the 1946 fall session have been the richest, most vital and most interesting period in the history of the college. Each year has been better than the preceding, and of course 1948-1949 is a banner year, so far, from every standpoint.

Next year, 1949-1950, looks good from this point in space and time. A new, beautiful, commodious building is under construction and a new dining room is in the blue print stage. Curriculum offerings are being expanded and improved.

Students who have been on the campus since 1946 are to be congratulated on being here during one of the most creative periods in our institution's history.

C. B. SMITH
President

Dr. Charles Bunyan Smith, under whose expert guidance Troy State Teachers College has become a modern school and one that ranks among the top ten teachers colleges of this nation. Indicative of his progressive leadership is the constant effort to improve the curriculum of the college and the vast physical growth of the school.

DEANS STRENGTHEN BOND BETWEEN STUDENTS AND ADMINISTRATION

The four deans of Troy State strengthen the bond between the students and the Administration, and promote close cooperation on all matters. They hear the comments and complaints, compliments and questions of the students. It is through them that the students make their wishes known, and it is to them that the students feel free to go with problems of school, love, and life.

Dr. G. R. Boyd, above, is Dean of the College and Head of the Education Department. Miss Lucille Gorrett, upper right, is Dean of Students. Miss Florence Marks, right, is Dean of Women, and Professor Auxford Sortoin is Assistant Dean and Head of the History Department.

BIBB GRAVES HALL

Bibb Graves Hall is the Administration main classroom building of the college. Until 1946 it housed all departments except the Laboratory School and the physical education department, but the continued growth of the College forced the art department and the band and piano departments into temporary barracks.

Kilby Hall, below, contains the Laboratory School, the elementary training department of the College. The Lab School is a regular six grade elementary school, where elementary teachers do their practice teaching under the full time critic teachers.

Right: How did you guys get on this page?

A black and white photograph showing a group of people, possibly a marching band or a parade float, moving down a street. The image is somewhat blurry and has a high-contrast, grainy quality. On the left side, a sign is visible with the text "STATE OF THE UNION" and a graphic below it. The people are dressed in light-colored, possibly white, uniforms or costumes. The background shows a street with buildings and a fence.

The image consists of two black and white photographs of a parade float. The top photograph shows a group of women in white uniforms standing on a float with "SPECS" written on its side. The bottom photograph shows a float with "TROPOLITAN STATE" written on its side, moving through a crowd.

Right: Mr. Key, distinguished Editor of THE TROPOLITAN, maintains that they "Also ran." His evidence is presented here.

And when everybody puts his best bib and tucker to wind up the day with the dance!

Troy Is Awarded Trophy Honoring Calvin E. Kilpatrick

This trophy was awarded by the Drs. J. O. and J. H. Colley in honor of the late Calvin Kilpatrick, of Opp, who was killed in a traffic accident November 22, 1947, while returning home from a Red Wave victory at Fort Benning, Ga.

Each year in the future a smaller likeness of the trophy will be presented to a member of a Red Wave varsity team in a major sport. It will be presented on the basis of character, scholarship, leadership, and athletic ability. This is an honor to be sought by all strong, intelligent men of athletic ability who will attend S. T. C. in the years to come.

TROY WINS OPENER OVER UNION

This being the first game of the season, no one of Troy expected the Wave to make a good showing, but the team jumped over the scrimmage kinks and edged past the Union Bulldogs 15 to 6. Instrumental in this victory were RH Sonny Queen, LH Ted Franklin, and RH Coot Chesser. In the line RG Tay Green and RT Ox Kress were outstanding.

WAVE OUTPLAYS S. L. I. BUT DROPS TILT

Here the Wave ran up against one of its larger brothers in the SIAA, and came away on the short end of a 26 to 19 score. The Louisiana Bulldogs had expected to run up a big score, but Troy surprised them with its spirited play, and even scored first. This was perhaps the best game played by the Wave all season. Righthalf Coot Chesser was the hottest thing on the field for the Trojans.

The Wave still had a chance to score when the count was 18 to 13 as they marched to the Jacksonville 12 where Williams intercepted Renfroe's pass. In a few seconds the gamecocks scored again when Smith intercepted another of Renfroe's passes and galloped 50 yards for the final TD.

HOMECOMING SCRAP COPPED BY TROY

In this game the Wave turned the pigskin warpath to its home coming grounds for the annual Homecoming game. The opposition was furnished by the copable Tigers of Livingston who turned in a whole of a ball game before losing 14 to 0. The offensive minded Wave had to rely upon the good right arm of Quarterback Lucky Renfroe to pull this victory out of the bag. Troy scored both its touchdowns on aerials and Renfroe added both extra points from place-ments.

WAVE OVERWHELMS ST. BERNARD

The Red Wave, which had been running hot and cold, found itself in this game. The team could do no wrong as everything went off like clock work and the Saints were overwhelmed 32 to 0. Troy suffered a loss when Righthalf Sanny Queen received a severe eye injury that put him on the shelf for the rest of the season. Hurt previously in the Livingston game was regular Lfthalf Franklin, so at this point reserve halfbacks Corlton and Chesser come into their own. Due to their remarkable play they are known as the Cinderello Twins.

WEST GEORGIA SWAMPED BY WAVE

The Wavemen jumped on the Broves and did not let up until they had scored a 33 to 7 triumph. Instrumental in the victory was Goathead Carlton, who was later selected as the team's most valuable player. Chesser also turned in a good game.

TROY PULLS 'BAMA BEES' STINGER

The 'Bama Bees' rolled into Dothan as heavy favorites to sting the Wave into defeat only to have the Cinderello Twins, Carlton and Chesser pull their stinger out 6 to 0.

FLORIDA STATE SEMINOLES SCALP RED WAVE

The Seminoles, still from a 36 to 6 pasting they took from Troy last year came into Dothan's Wiregrass Stadium with blood in their eye and submerged an overconfident Wave 20 to 13. Carlton, Chesser, and Cox stood out for the losing Wave.

TROY DROPS FIRST POST-SEASON GAME TO JAX

Some 7,000 fans saw Troy drop its first post-season game to Jacksonville in the Paper Bowl in Pensacola, as the Gamecocks scored in the first, second, and fourth periods to subdue the Wavemen 19 to 0. The punting of Carlton and Norman was the highlight of Troy's play.

The above standings are for the regular season's play. In the playoffs between the teams tied for first place the Runts downed the Rockets by a close score in the first game, only to be overwhelmed by the Steelers in the final Championship game. This year Intramural football turned out to be very interesting and competition was keen throughout the league.

The League was under the direction of Gerald McDade this year. The following boys were members of the Championship Steelers: Bobby Riley, Doc Bowden, Bobby DeRieux, Grady Hicks, Ottis Johnson, Billy Williams, Leon Hilyer, John Terry, Ed Childers, Manager Herbert Connell.

INTRAMURAL BASKETBALL ATTRACTS MANY

Thirteen teams turned out to compete for honors in the Intramural Basketball League this year. Those students who took the trouble to walk over to the gym were amply rewarded by getting to witness many closely contested games. As this Annual went to the printers two teams, the Steelers and Longhorns, were sharing the top spot with the Steelers having an advantage because they had played more games. Leading the scoring parade was Frank Tenewitz, of the Droftdodgers, with 130 points. His nearest rivals were Jack Creswell, Queen 7 cogester, and Gene Norman, Hoopster star.
